SPECIFIC RULES OF CAMPING BAGATELLE

At Camping Bagatelle, rest assured that our staff will do everything they can to ensure your stay is as pleasant as possible.

The only specific conditions we ask you to respect are basic everyday rules centered around respect:

1. Respect for Others

Please be mindful not to make excessive noise.

Your pets must be kept on a leash at all times, and you must clean up after them.

Politeness and courtesy are essential when interacting with our receptionists, shopkeepers, staff, and your neighbors. These make everyone's stay more enjoyable!

2. Respect for Nature

Do not litter (including cigarette butts, which are also a fire hazard).

Do not waste water—it is very precious, especially in this region (washing vehicles is forbidden in the campsite).

Energy is also a valuable and expensive resource; we count on you to use it wisely.

Composting your organic waste is strongly encouraged.

Do not flush anything down the toilets other than the designated toilet paper.

3. Respect for Infrastructure

Please take care of the common areas (toilets, laundry room, grocery store, reception, restaurants, etc.).

Green spaces are important—please do not damage them in any way.

The entire Camping Bagatelle team thanks you for your understanding and cooperation.

We remain at your full disposal should you encounter any issues—our goal is to assist and satisfy you to the best of our ability.
